

Rose Dunkelman Daycare Centre
Plaque Board Wording

World WIZO has made the difficult decision to close The Rose Dunkelman (Toronto) Daycare in Neve Sharet, Israel.

The demographics of the neighborhood have changed considerably over the last few years, and it was no longer economically viable to continue operating the daycare.

All plaques on display at the daycare will be placed in WIZO storage. I am pleased to let you know that CHW will continue to honour those who made generous contributions to the daycare by listing the names of contributors on the CHW website.
